

## Exemptions

The Irish Tax Institute may grant exemptions from certain modules where applicants have successfully completed other Level 8 or 9 qualifications.

A list of recognised exemptions is set out on pages overleaf.

Applicants are required to submit an official transcript from the awarding body, which must include the applicant's name and the date on which the examinations were passed. Internet printouts are not acceptable.

Each applicant is responsible for ensuring they are aware of the relevant deadline for applying for examinations and ensuring that their application for exemptions is submitted on time.

Applications will not be registered for continuous assessment and examinations or be issued with an examination number until they have received notification of their exemption.

The Education Committee may review the exemptions at any time. Any changes will be published on the Irish Tax Institute website. These amendments will not apply retrospectively.

### What if a qualification is not listed?

Applicants may apply for exemptions which are not listed if they can satisfy the Education Committee that they have passed an examination equivalent to the standard set in the Part 1 examination or have relevant work-based learning.

If your qualification is not listed, please submit an application for an exemption prior to registering online as a student. The application should include:

- An official transcript from the appropriate body with a detailed syllabus and sample examination papers of the relevant modules.
- The syllabus and examination papers must be cross-referenced in detail to the learning outcomes of the module for which the exemption is being sought.
- Applications which are not cross-referenced to the Part 1 syllabus will be returned to the applicant.

If you wish to apply for exemptions based on the recognition of significant work-based learning, please submit your application as follows:

- Outline evidence of how, through your work experience, you meet each of the learning outcomes of the modules from which you are applying for an exemption
- Submit a two-page resume detailing relevant professional experience and education to date
- Enclose any other supporting documentation that you feel is relevant to your application (e.g. supporting letter from your employer or suitable referee, evidence of training courses undertaken, relevant voluntary work, etc)

Applications should be submitted to the Senior Manager of Professional Education with supporting documentation as appropriate. Each application will be considered individually on its own merits and is made at the discretion of the Irish Tax Institute.

Please note that, due to large numbers of applications received, we cannot confirm receipt of individual submissions or return documentation. You will be notified by email of exemptions granted.
