

## EisnerAmper Ireland: Tax Qualified – VAT & Corporate Tax

### Description

EisnerAmper Ireland is seeking to recruit an ambitious, dynamic, qualified Chartered Tax Adviser (CTA) or qualified accountant, to join its Tax team for an immediate start.

### The Firm

EisnerAmper Ireland is a leading and high growth Dublin based firm of accountants and advisors playing a key role in bringing international trade to Ireland and advising Ireland's financial services and government sectors. Complementing our core values is our team's (80+ professionals – and growing) commitment to innovating in how we serve our ecosystem of clients, contacts and the markets in which they operate.

We're seeking a high calibre, driven, motivated and passionate qualified accountant, to join our Tax team and to help strengthen our activity within our ecosystem. What do we mean by our ecosystem activity? Some examples:

- We advise leading businesses, banks, credit unions, private equity firms, government departments and state agencies in the areas of strategy, restructuring, operations and M&A. [Click here](#) to learn more.
- We operate at the core of Ireland's FDI community. Every year, members of our Firm travel across the US promoting Ireland as a location to do business – read about it here: [Ireland Gateway to Europe](#).
- We understand the world's leading audit & accounting firms – from the inside out. 6 of our team have recently returned from working with our colleagues in EisnerAmper LLP's (a 180 partner, market leading, US accounting & advisory firm) New York office. Check out their blog [here](#).
- We invest in learning. In addition to monthly training seminars, our team takes part in annual off-site training programmes with guest speakers. It's not all work and no play – [click here](#) to learn more.
- We invest in our business. We received certification to ISO 9001:2008 in 2015 from the National Standards Authority of Ireland (NSAI). ISO 9001:2008 is the world's foremost Quality Management System used by organisations in over 170 countries - [click here](#) to learn more.
- In July 2015, we joined with EisnerAmper LLP ([www.eisneramper.com](http://www.eisneramper.com)) to form a global network called EisnerAmper Global.

Our staff enjoy unparalleled opportunities to advance their careers. We're recognised by industry peers and clients for our expertise, client service and market knowledge.

### What you will be doing

You can expect to be a key member of our Tax team providing VAT advisory & compliance services to the Firm's clients in the international trade and financial services industries. You will be expected to manage a number of junior staff on VAT compliance engagements, deal with queries from other members of staff in the International Business and Financial Services teams, and assist senior staff with providing VAT advices to clients.

Depending on qualification and experience you may also be asked to assist with providing corporation tax related services to our corporate clients.

### What we are looking for

#### Qualifications

A qualified Chartered Tax Advisor or qualified accountant with at least 1 year post qualification experience working in a professional client facing environment.

## Experience

Demonstrated experience in:

- The Irish and international VAT treatment of services and goods supplied by businesses in the international trade and financial services industries.
- Preparation and completion of VAT returns.
- Provision of VAT advices to businesses in the international trade, financial services and property sectors.
- Some experience in corporate tax would be an advantage and preferable but not a necessity.
- Management of the practice using the appropriate tools and channels.

## Skills & attributes

- **Technical** –a thorough knowledge of Irish VAT and its interaction with EU and international rules. Preferably a working knowledge of corporate tax principles also.
- **Initiative** – ability to take the initiative, work with limited supervision (although, we will be there to support you).
- **Dynamism** – desire to work in a fast paced environment with a highly energetic and motivated team.
- **Flexibility** – willingness to adapt to varying and changing client demands.
- **Attitude** – motivated, hardworking and evidence of having excelled at something in your personal life to date.

## Your development

Education and personal development is key to our firm. We are committed to providing comprehensive business and technical training. This includes monthly in-house learning afternoons, twice yearly 2 day internal technical training and offsite hotel based training and planning days in July and November.

## Remuneration

Our remuneration packages are designed to attract and retain the best people as part of our team. We offer salary levels which are commensurate to each candidate's level of experience, competencies and role in the Firm.

## Applications

To apply, in the strictest of confidence, please send your CV and a cover letter to [recruitment@eisneramper.ie](mailto:recruitment@eisneramper.ie) or to Lisa Halpin, EisnerAmper Ireland, 6 The Courtyard Building, Carmanhall Road, Sandyford, Dublin 18.
