Key elements of the role

- Responsible for delivery of Indirect Tax compliance across Glanbia business units in multiple jurisdictions throughout EMEA
- Provide high level strategic VAT advice to all Business Units
- Manage any Indirect Tax Audits/Projects across the Group
- Requirement to manage a team of tax professionals to deliver high quality compliance services to our customers
- Highlight and address any internal VAT issues
- Analyze changes in VAT legislation and the impact of those changes to the company
- Assess internal controls and procedures to ensure compliance across the EMEA region

Requirements for the role

- Ability to deal with both internal and external contacts at all levels
- Strong PC and analytical experience
- Mobility
- Have SAP/food industry experience an advantage

Qualifications

- Qualified AITI and/or other relevant qualification
- Third level business/accounting/finance degree

Skills & experience

- Proven track record in the provision of high value VAT work
- Excellent technical skills
- Excellent people management skills
- Prior management experience an advantage

Competencies

- A team player who has the ability to motivate others, making it fun while getting the job done.
- Enjoys working in a fast-paced, innovative environment where the focus is on continuous improvement and the challenge to make it better
- Proven ability to act appropriately on own initiative to solve issues which arise
- Confident self-starter who is good at meeting tight deadlines under pressure and is happy to work as part of a team
- The energy, enthusiasm and drive to make it happen.

Are you someone who likes to make it happen, make it better and make it fun? If so, our company offers you an excellent opportunity to do really interesting work and develop a career in a dynamic and innovative environment that is all about making you and our business successful.

So, who are we and what do we do? Glanbia is a global performance nutrition and ingredients group with operations in 34 countries world-wide and turnover of over €3.6 billion per annum. We have leading market positions in sports nutrition, cheese, dairy ingredients, specialty non-dairy ingredients and vitamin and mineral premixes. Our products are sold or distributed in over 130 countries. While Europe and the USA represent our biggest markets, we are continuing to expand into the Middle East, Africa, Asia Pacific and Latin America. We employ almost 6,000 people globally and our shares are listed on the Irish and London Stock Exchanges (symbol: GLB)

Are you an experienced IT or Finance Shared Services professional and see yourself working with our best people on global projects, creating and enabling new business practices or developing new technology platforms to support our business? If so, then we want to talk to you!

If you are interested in applying for this role, please send your details to Aoife Quinlan (aoifequinlan@glanbia.ie).
