- Proven background in business development and relationship management;
- Excellent interpersonal and communication skills and team leadership ability;
- Proven commitment to professional and client service excellence;
- Ability to self-motivate and work under own initiative whilst also being able to lead others;
- Excellent all round business acumen and a proven track record of service delivery;
- Excellent computer literacy and analytical skills;

Principal duties and responsibilities

As a key member of the senior management team you will be expected to demonstrate the ability to participate in and lead a variety of assignments across a portfolio of clients including:

- Manage a dynamic and growing tax division;
- Planning & managing the work of the tax division and assuming responsibility for training and developing the current team;

- The ability to understand thoroughly complex integrated taxation, accounting, corporate finance and legal issues and the correct practical application of same;
- Developing future strategy for the taxation division within the overall growth plans of the practice;
- Dealing with complex taxation cases and issues;
- Dealing with tax planning for high net worth individuals;
- The ability to recognise opportunities for development of the practice from assignments undertaken for clients which would enhance the profile of the practice whilst at the same time providing better business practices for client.
- The charisma and gravitas to lead the taxation division and represent the practice at networking events and promote the practice through the media nationally and internationally;

What we can offer you

- Excellent remuneration packages including competitive base salaries and benefits;
- Ongoing professional training and development through the UHY professional development programme;
- Access to the developed skills and methodologies of a Gold Accredited ACCA training practice;
- Attractive educational support for relevant educational development to accelerate career progression;
- The opportunity to operate as part of a globally recognised accounting and business network with a footprint in over 80 companies worldwide;

Who are we?
