

Position: TAX MANAGER
Location: Dublin 17 off M50/M1 roundabout
Start Date: Immediate

Andrews Tax Consulting

Andrews Tax Consulting is a specialist taxation, estate and trust planning firm based in Dublin.

Our head of tax has significant commercial experience and in the top 4 accountancy and legal practices. Our clients include Irish and foreign owned multinational companies and owner managed businesses across most business sectors including manufacturing, retail, services, information technology and agriculture.

As well as advising our own clients, we act as external consultants to many accountancy firms and legal practices. We have significant experience operating on a background basis but more often our professional clients trust us to engage directly with their clients when managing consulting assignments.

The Role

We are seeking a tax manager to join our tax practice and assist the current tax team. The successful candidate will deal almost exclusively with consultancy matters such as mergers and acquisitions, Revenue audits, property transactions and share schemes.

The Ideal Candidate

The ideal candidate is a primary degree holder (in law, business and finance or accountancy) and is attending the Institute of Taxation or has qualified as a Chartered Taxation Advisors. Experience in tax planning would be an advantage.

Application Process

To apply please forward the following to recruitment@andrewstax.ie.

1. CV¹
2. Cover letter² and
3. Copies of ITI and University exam results.

¹ . The CV should be no longer than two pages and should only contain *relevant* work experience.

² . Your cover letter should detail what, if any, taxation content was included in your degree and any taxation-related assignments you completed at third-level.
