- ◆ As part of a management team the individual will be responsible for the achievement of departmental goals and targets
- ◆ Reporting to directly to a Partner on a range of assignments and clients
- ◆ This position will suit an ambitious individual who wants to lead the development of tax services to corporate clients

Main Duties/Responsibilities

- ◆ Management of the firms relationship with a portfolio of clients including co-ordination of service offerings from other departments
- ◆ Working with the Partners and the management team on advising international clients on their international structures, transfer pricing and profit repatriations
- ◆ Management of assignments resourced from a combined pool of staff to achieve client satisfaction combined with targeted firm recovery
- ◆ Responsibility for fee billing and cash collection among own portfolio of clients
- ◆ Measurement against collective (departmental) targets for fcr, billing, net fee income and cash collection as well as personal and firm-wide goals
- ◆ Involvement in training of student trainees
- ◆ Involvement in firm / department practice development and marketing initiatives
- ◆ Responsibility for staff reviewing procedures

Principal Requirements

- ◆ Ideally AITI qualified and/or a qualified accountant with a minimum of 3-5 years post qualification experience
- ◆ Currently working as a manager, or equivalent, in a large practice environment with specific international tax client experience
- ◆ Excellent interpersonal skills

- ◆ Leadership qualities
- ◆ Ability to work in a team environment
- ◆ Excellent organisational and planning capabilities
- ◆ Ability to provide guidance to others
- ◆ Excellent communication skills (written and oral)
- ◆ Good technical background
- ◆ Ability to work to deadlines and deliver under pressure
- ◆ Excellent computer-literacy skills
