

Tax Accountant

Our Global Headquarters (GHQ) is based in County Kerry, Ireland and is a centre of excellence for global financial control and the home of the Group corporate functions; Tax, Treasury, Mergers & Acquisitions, Financial Control, Investor Relations, Company Secretarial, Legal, Internal Audit, Group Control and Corporate Affairs.

We are looking for leaders of the future, so if you have the ambition to match ours, we'd like to hear from you!

The role:

This role is a unique opportunity for a dynamic and progressive Accounting professional which offers a potential stepping stone to exceptional candidates to develop a successful, rewarding career with a progressive fast-moving organisation. Kerry offers excellent technical and professional development opportunities to successful candidates.

In addition to opportunities within Tax, opportunities regularly arise in other functions, including Finance and General Business. The successful candidate will have the opportunity to interact with, and learn from, the Senior Management Team. This role gives the right candidate a fantastic opportunity to learn and progress in an environment which will support, facilitate and promote swift career progression within Kerry Group.

Kerry Group has operations in 140 countries worldwide and this role will provide significant learning opportunities as to how the Kerry business operates in many of these jurisdictions.

Key Responsibilities:

- Responsible for the submission of all corporate tax returns for all EMEA jurisdictions
- Co-ordinate the year end process from an EMEA Tax reporting perspective
- Responsibility for providing sign off on all tax notes in financial statements for EMEA jurisdictions
- Research and resolve technical tax accounting issues for key stakeholders
- Responsible for all compliance related issues for EMEA
- Responsible for Deferred Taxation Accounting for all EMEA jurisdictions
- Responsible for EMEA Internal Management Reporting
- Responsible for process improvement in respect of the EMEA KBS tax team
- Assistance with any strike off / absorption for all EMEA legal entities
- Assisting with M&A Activity and related restructuring, as required
- Assistance with Group Management Reporting
- Liaising closely with stakeholders (e.g. country controllers) for the purpose of the EMEA Tax compliance and reporting process
- Assistance with preparation of Irish and UK VAT returns and other indirect taxes
- Responsible for ensuring that relevant tax training is provided to staff within the EMEA Tax team.

Your Profile:

- ACA, ACCA or CIMA
- An interest in developing International Tax knowledge
- A minimum of 3-4 years corporate tax experience ideally gained in a Big 4 professional practice firm or from a large multinational environment

Desirable

- AITI qualified
- Line Management experience
- European Tax knowledge

Competencies Required

- Excellent numerical and technical analysis skills
- Good knowledge of systems and IT
- Excellent interpersonal skills
- A proactive attitude with an ability to work on his/her own initiative
- Drive and determination
- Ability to prioritise and work on tight deadlines to ensure that compliance requirements are met in a timely and accurate manner.
