Tax Manager – Director – Cork City

About Us

MC2 Accountants, was set up in 2013 and has quickly established itself as a dynamic and progressive professional service firm. With a staff of over 25 highly experienced and qualified individuals, MC2 Accountants offer end to end solutions that are designed to meet the various needs of our Clients. In addition to providing core Audit and Accountancy services, MC2 Accountants is particularly focused on Advisory services including Tax, Corporate Finance and Transactions Services.

About the Role

An experienced Tax Manager - Director is required to join the Tax Team. The Tax Manager - Director will get the opportunity to work with a broad range of clients. There is a clear path for progression and development. This position is very varied and challenging and the successful candidate will also be a leading member of a highly professional and successful team.

"Culture and fit within our firm are our top priority when hiring for this key role. Our team is dynamic, flat structured, open, friendly and client focused so we need someone who will continue to foster this culture" Partner

Responsibilities

- Management and Growth of the Tax Department in the firm
- Work on a challenging, evolving and varied client portfolio, with excellent opportunities to develop and manage your own portfolio.
- Providing intelligent and creative solutions to client tax issues both reactively and proactively and presenting solutions to complex technical issues.
- Writing high quality tax reports, professionally presented documents, requiring minimal input from partners.
- Managing the Compliance function within the department.
- Monitoring and reporting on the firm's risk management processes and procedures. Partake in our knowledge box informal training sessions
- Develop close client relationships, understand their business and play a part in winning new work, while cross selling the other professional services offerings of the firm
- Ability to manage within budgetary and time constraints while providing a high-level of client satisfaction
- Participate in flexible working arrangements and achieve a level of autonomy at manager grade within the support network of a dynamic professional services firm
