

# Grow your career with us

## TAX SENIOR

Athenry Office, Ref TAXSENIOR/ATHENRY

**Ifac** is building for the future. Growing our tax service offering is a key part of our development plan. You will join a busy vibrant team at a time of major organisational change, growth and rebranding. The tax department is a team within the firm developing and implementing tax solutions for clients.

### What We Offer

In addition to competitive salaries and performance related bonuses and profit share, we offer our **Flexible Working arrangements**, subscriptions and CPD allowances and ongoing training and support. **Free Parking** on site.

### Role

We are seeking a **Tax Senior** to join our growing National Tax Department. You will be based in our **Athenry office**, with travel when required. You will work closely with the office Partner on developing Tax opportunities.

The role will involve;

- Building a rapport with clients and developing a clear and detailed understanding of the business and client expectations.
- Participating in business development activities and contributing to sales pitches, for own team as well as the wider firm.
- Providing intelligent and creative solutions to client tax issues, both reactively and proactively, and presenting solutions to complex technical issues within the agri-food sector.
- Writing high quality tax reports, professionally presented documents.
- Planning and performing tax consultancy assignments on a day to day basis.
- Working effectively with all members of the team, building the confidence and respect of subordinates.

### Candidate

You will have:

- CTA qualified with a minimum 3-4 years' experience of working in a large tax department.
- Strong technical knowledge with the ability to identify opportunities for clients.
- Attention to detail with strong time-management skills and the ability to manage compliance process and compliance staff.
- Strong interpersonal skills, people development and communication skills.
- The ability to build trusted relationships with clients and the team.
- The ability to work on your own initiative to tight deadlines.
- Innovative, solution driven approach to Tax.
