

Tax Consultant | Established Firm | Waterford City

Are you a qualified Tax Consultant with 3 years ppe? Are you looking for a role with a quality/ growing firm in Waterford City with good quality clients and work/life balance? If the answers are yes, this will be of interest.

O'Connell Meskill & Company, an established / reputable firm of accountants, is currently seeking to appoint a Tax Consultant who will take over running of the tax department in the practice from a retiring member of staff. The main focus of the role is to manage all tax compliance in the practice, handle tax advisory projects and business development.

The position offers **career potential**. Salary and benefits will reflect seniority of this role.

Main responsibilities

The right candidate will be responsible for:

- Managing all tax compliance requirements (e.g. corporation tax and income tax, VAT, CGT, responding to Revenue queries, etc.) for the practice.
- Advising Irish and some International clients on a range of tax matters and queries.
- Reviewing existing client profiles for tax planning opportunities.
- Researching technical tax issues.
- Developing pro-active relationships with other departments within the firm.
- In time, managing and training a junior staff member.

Key requirements

- Qualified Tax Professional.
- At least 3 years post qualification experience in a similar size practice.
- Strong communication and leadership skills.
- Familiar in the use of Taxation software for compliance purposes.
- Commercially Focused and good practice development skills.
