## TALC AUDIT Sub-Committee Meeting Minutes

### **Item 1 – Opening Comments and Review of Minutes of Meeting held 26<sup>th</sup> November 2021**

The Chair opened the meeting by welcoming everyone, especially the new committee members from the CCAB-I, Crona Clohisey and Gearoid O’Sullivan.

The previous minutes were agreed with no amendments.

### **Item 2 – Update on development of revised Compliance Intervention Framework**

Revenue thanked the practitioner bodies for their feedback on the draft Code of Practice. Revenue also summarised the key changes to the draft since the last discussion. These were: a change in the phraseology of the opening paragraph to reinforce the principle of taxpayer responsibility, revised treatment of tax avoidance cases, increased period to notify Revenue of intention to make a prompted disclosure, change to procedures for taxpayers querying the status of an open intervention, removal of internal Revenue procedural information that is otherwise available in TDMs and changes to reflect Finance Bill 2021.

It was agreed to have a further bilateral discussion between Revenue and the ITI regarding the escalation of cases to criminal investigation.

Revenue will publish the revised Code in the coming week to enable all parties to prepare for the 1 May implementation.

Practitioners and Revenue acknowledged the very effective co-operation in the sub-committee in the development of the revised Code. While not all issues were agreed the committee had provided a very effective dialogue enabling Revenue to have regard to the views of all parties. Practitioners acknowledged the value of the dialogue and the extent to which their views and proposals are reflected in the new Code.

### **Item 3 – Work Plan 2022**

The work plan for 2022 was agreed at the meeting.

The sub-committee will focus on the implementation of the new code during the coming year and PMOD will also remain on the work plan.

### **Item 4 – AOB**
