

Tax Clearance expiry reminder for 4-year applicants

A Tax Clearance Certificate is confirmation from Revenue that an applicant's tax affairs are in order. Where tax clearance is required for grants and certain relief schemes, the application must be submitted each year. In all other cases, the application will remain valid for four years once an applicant's tax affairs remain in order. After four years, a new application must be submitted.

Effective from Monday 12 January 2026, the following enhancement is now in place for customers/agents who apply for tax clearance every four years.

Tax Clearance expiry reminder

A tax clearance expiry reminder will issue to ROS and myAccount customers approximately 30 days in advance of the expiry date of their four-year tax clearance application.

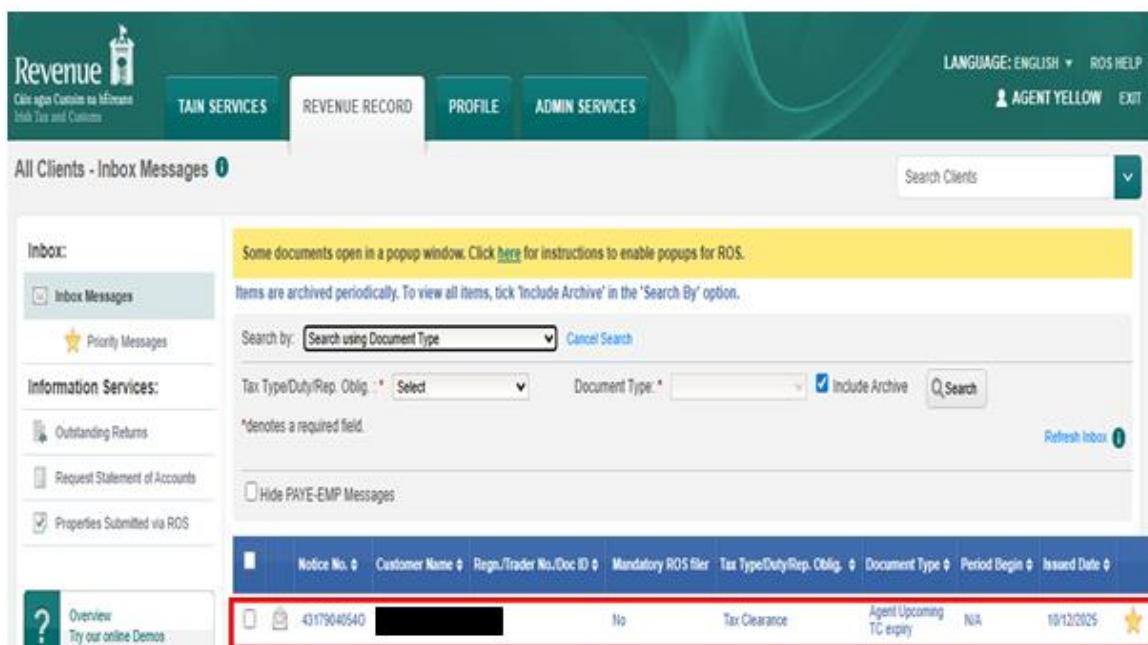

At the same time, a notification will issue to agents providing a list of linked clients who have been issued with a tax clearance expiry reminder. The listing will provide the client name, registration number and expiry date. This is an online reminder only and no paper output is available.

As is standard, an email will issue to customers advising that correspondence relating to their tax clearance has been sent to them and to log onto ROS or MyAccount to view the correspondence.

Further details of the agent notification are set out below.

ROS inbox – Agent

The document type in the agent's ROS inbox will be 'Agent Upcoming TC expiry'. The agent notification will have a Priority message flag, which is highlighted by the gold star that appears in the last column on the right of the Agent's ROS inbox.

The screenshot shows the Revenue ROS inbox interface. The top navigation bar includes 'MAIN SERVICES', 'REVENUE RECORD', 'PROFILE', 'ADMIN SERVICES', 'LANGUAGE: ENGLISH', 'ROS HELP', 'AGENT YELLOW', and 'EXIT'. The main area is titled 'All Clients - Inbox Messages'. On the left, a sidebar lists 'Inbox' (selected), 'Priority Messages', 'Information Services' (Outstanding Returns, Request Statement of Accounts, Properties Submitted via ROS), and a 'Try our online Demos' button. The main content area displays a search interface with 'Search by: Search using Document Type' and 'Document Type: *'. A note says 'Some documents open in a popup window. Click [here](#) for instructions to enable popups for ROS.' Below this, a note says 'Items are archived periodically. To view all items, tick 'Include Archive' in the 'Search By' option.' A search bar includes 'Include Archive' and 'Search' buttons. A note at the bottom left says '*denotes a required field.' A 'Refresh inbox' button is at the bottom right. The main table lists messages with columns: Notice No., Customer Name, Regn/Trader No./Doc ID, Mandatory ROS filer, Tax Type/Duty/Rep. Oblig., Document Type, Period Begin, Issued Date, and a status column. One message in the table is highlighted with a red border: 'Notice No. 43179040540', 'Customer Name [REDACTED]', 'Regn/Trader No./Doc ID [REDACTED]', 'Mandatory ROS filer No', 'Tax Type/Duty/Rep. Oblig. Tax Clearance', 'Document Type Agent Upcoming TC expiry', 'Period Begin 10/12/2025', 'Issued Date 10/12/2025', and a 'Priority' column with a gold star.
