### Speakers:

**Feargal Kenzie** is a Senior Tax Manager with Deloitte. Feargal specialises in providing personal, corporate and capital tax consultancy services to individuals and corporates with business interests in Ireland. He has 15 years' experience as a tax practitioner and is a Chartered Tax Adviser (CTA). He has developed extensive experience in dealing with all aspects of Revenue audits and interventions and disclosures to the Revenue Commissioners.

**Carmel Marnane** is a Tax Director with Deloitte. Carmel has over 15 years' experience working in practice and is a Chartered Tax Adviser (CTA). Carmel predominantly advises high net worth individuals and owner managed businesses on all aspects of their tax affairs and has a particular specialism in succession planning, group reorganisations and asset holding structures.

**Erica Minogue** is a Manager working within Deloitte's Corporate and International Tax team. She has more than nine years' experience working within the Irish tax industry and is a Chartered Tax Adviser (CTA). She has worked primarily with multi-nationals and large corporates with a focus on corporate structuring, tax planning and compliance needs of clients from a diverse range of industries.
