Adding a job or pension

Start →

Who is it for?

This service is for anyone who:

- ✓ is starting a new job
- ✓ is starting to receive payments from a private pension (not a DSP, i.e. social welfare, pension)

Just left or changing a job or pension soon? You should not add a new job or pension until your old employer or pension provider has told us that you have left. If you add your new job or pension before then, it will be treated as a second job or pension.

What do I need?

To add a new job or pension you will need:

- 1 Your new employer or pension provider's tax registration number
- 2 The date your job starts or pension becomes payable and how often you will be paid
- 3 To tell us an estimate of your overall incomes
- 4 If you have recently moved to Ireland, you will need to provide some additional details such as arrival date

How long does it take?

About 10 minutes for most people. Some people may have more or less questions to answer. The sections are as follows:

- 1 **Section One:**
Add your new job or pension
- 2 **Section Two:**
Tell us how long you have been living in the Republic of Ireland
- 3 **Section Three:**
Tell us about your overall incomes
- 4 **Section Four:**
Review your details and submit
