The Tax Trainee Induction Programme has been designed specifically for individuals who are beginning their tax careers. The course will provide fundamental skills and knowledge to enable new tax recruits to obtain a working understanding of the core tax principles necessary for their roles.

The course is facilitated by expert tutors who draw on their practical knowledge and experience as well as years of lecturing experience as they take you through the fundamental principles. During this online programme they will obtain:

- A practical introduction to accounts for tax trainees
- Training in the fundamentals of Income Tax, Corporation Tax, Value Added Tax (VAT), Capital Acquisitions Tax (CAT), Capital Gains Tax (CGT), and Stamp Duty
- First-class materials for in-depth training and future reference
- Access to the recorded materials for 6 months. They can study the materials at their own pace and then benefit from the live discussions with the opportunity to ask questions to the tutors.
